Important Notice to All for 2025

Dear Valued Exhibitor,

Firstly we would like to offer a warm 'hello' as your new rally organisers. A bit about us, well, we have a passion for vintage rallies - in fact, it was on the Hilgay Vintage & Country Show rally field that we actually first met back in 2017! Since then we have been a part of the NVTEC-EA committee and are excited to take on this momentous challenge. You may have spotted us in years gone by as we have been getting to know you all on the exhibitors gate (with our two Rotties, Stanley & Norman). Similarly, Annie is well known on the rally field for her love of Field Marshall's, often showing her God Father's Series 1. We have some very big boots to fill indeed, but are looking forward to putting on a (hopefully) great show with your help!

On behalf of the committee and the friends of Stradsett Rally we would like to thank you all very much for supporting our 3 day, 50th celebration which we enjoyed and sincerely hope you did too.

Not a huge amount will change this year. Gordon has put in an incredible amount of work to make this show what it is today and we want to continue in his footsteps. As ever there will be entertainment in the beer tent throughout the weekend including a performance from Dr Busker on the Sunday evening.

If you have any queries regarding your paperwork, exhibit, passes etc, **please contact your steward.** we do not have access to any paperwork about your exhibit and will only be able to answer general questions about the rally itself. Your stewards information can be found at the bottom of this page.

For this year's show, the theme is 100 Years of Caterpillar & the Evolution of Tractor Cabs. Our 2025 rally will be held on Sunday 4th and Monday 5th May with exhibitors being able to arrive from 9.00am on Friday 2nd May.

We are looking forward to another great show in 2025 and hope to see you there.

All the Best,
 Annie & Jack Dowe
